GPO Box 39
SYDNEY NSW 2000

Attention: Ms Natasha Harras,

To NSW Dept. Planning,

RE: Eastlakes Redevelopment Proposal

After viewing the model in the Eastlakes Shopping Centre, I highly believe that this development is crucial to the continued economic survival of this area.

The current centre is run down to the extent where I and my family do not feel comfortable doing the shopping there. The current parking situation is terrible – the spaces provided mean that I, and most other people, cannot comfortably park our cars without fear of them being scratched. This is something that needs to be addressed in the redevelopment of this centre.

I urge you to support this redevelopment; I believe that it would bring a great number of jobs and people from outside the area to Eastlakes and make it a destination shopping precinct.

Yours faithfully

Attention: Ms Natasha Harras,

Dear Dept. of Planning & Infrastructure

RE: Major Development at Eastlakes Shopping Centre

There are numerous reasons why you should support this development.

- The current centre is greatly run down
- The car parking does not meet Australian standards
- There is a lack of new residential stock close to shopping in the area
- The current centre does not integrate with the adjoining park at all.
- There is a lack of serviced apartments in the area, when my relatives come to visit me, there is nowhere respectable that I can recommend them to stay.

Please support the redevelopment of the centre as it is important for the current and future residents of the area.

Kindest Regards,

Name: Parianto Burlian

Re: Eastlakes Shopping Centre Redevelopment – MP09 -0146

Dear Sir/ Madam,

I am writing to you to indicate my strong support for the redevelopment of Eastlakes Shopping Centre as a modern residential and retail hub. Having seen the website, the plan for this site looks like the project would significantly improve the area. It would be an improvement while still maintaining its independent character. Eastlakes is a great place for multicultural food and other goods- something that is hard to find in the generic shopping malls of the eastern suburbs. The residential side of the project would bring consumers to the area which would surely be to the benefit of all local businesses.

Regards,

Mrs Nicole Maddocks

To NSW Dept. Planning,

RE: Eastlakes Redevelopment Proposal

After viewing the model in the Eastlakes Shopping Centre, I highly believe that this development is crucial to the continued economic survival of this area.

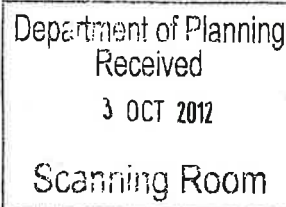

The current centre is run down to the extent where I and my family do not feel comfortable doing the shopping there. The current parking situation is terrible – the spaces provided mean that I, and most other people, cannot comfortably park our cars without fear of them being scratched. This is something that needs to be addressed in the redevelopment of this centre.

I urge you to support this redevelopment; I believe that it would bring a great number of jobs and people from outside the area to Eastlakes and make it a destination shopping precinct.

Yours faithfully

Re : Eastlakes Shopping Centre Redevelopment - MP09 - 0146

Dear Sir/ Madam ,

I fully support the proposal & development of
the above site .

This will bring a tremendous improvement
in shopping, jobs, lifestyles, & better environment for the locals.

I do not see why the proposal should be rejected by any parties .
The existing site is so old , & run down (compared vs. Eastgardens
shopping town) !!

Re: Eastlakes Shopping Centre Redevelopment - MP09 - 0146

Dear Sir/ Madam

- I am impress with the development in this area after years of living in backward environment. Modern and beautiful buildings will increase the value of the properties.
- I totally support with the project and looking forward to invest.
- Despite the opposition and confusion among certain quarters due to their personal opinions which we respect, I still believe the project should go ahead.
- Don't forget any grievance by certain quarters should be observed and considered too.

Yours - yrs

Re : Eastlakes Shopping Centre Redevelopment - MP09 - 0146

Dear Sir/ Madam

I live in eastlakes barber Ave And think that
it would be a good thing to happen ~~to~~ ~~be~~
We are verry back dated with the shops and
would benefit the Area in every way.
love to see this plan get Approved.

Re : Eastlakes Shopping Centre Redevelopment - MP09 - 0146

Dear Sir/ Madam ,

I fully support the proposal & development of
the above site.

This will bring a tremendous improvement
in shopping, jobs, lifestyles, & better environment for the locals.

I do not see why the proposal should be rejected by any parties.
The existing site is so old, & run down (compared vs Eastgardens
shopping town) !!
Yours sincerely,

PR. STEVEN YUNG

Re : Eastlakes Shopping Centre Redevelopment - MP09 - 0146

Dear Sir/ Madam

- I am impress with the development in this area after years of living in backward environment. Modern and beautiful buildings will increase the value of the properties.
- I totally support with the project and looking forward to invest.
- Despite the opposition and confusion among certain quarters due to their personal opinions which we respect, I still believe the project should go ahead.
- Don't forget any grievances by certain quarter should be observed and considered too.

Respect - yrs

MR. HASMIM

Subject: Eastlakes Village

Hi

I'm the owner and resident at Unit 4, 3 Mascot Drive, Eastlakes NSW 2018.

I received a brochure in the mail about the new Eastlakes Village development.

Please approve this development - I think it will be great for the area. It will give Eastlakes a new, refreshed look, in keeping with the surrounding suburbs. It would be great to have a newer shopping mall. The current one is very old and even though I live walking distance from it, at present I would rather go to Westfields Eastgardens because it is a more pleasant environment.

If you have any questions, I am happy for you to contact me on 0400 122 688.

Regards

Louisa Sijabat

I am the owner of 7/285 Gardeners Road Eastlakes and am registering my support for the Crown/Prosha Joint Venture to extend and rejuvenate the existing BKK shopping centre at Evans Avenue, Eastlakes NW 2018.

The current facilities are almost non existent and I often need to go to Eastgardens at Paddington unless I am buying groceries only. In addition, there is only 1 cafe to service all the shoppers. The proposed town square and parklands will be a welcome addition, especially for the many young children in the area.

Yours sincerely,
Irene Simos

Our family is very excited about the proposed development for Eastlakes Shopping Centre. The centre is very tired looking and run down, and improvement is long overdue.

We completely support the project.

Dear Ms Harras

Subject: Environmental Assessment Exhibition – Mixed Use Development at Eastlakes Shopping Centre, Eastlakes (MP09_0146)

Having inspected the exhibition in detail at the City of Botany Bay Council offices, I support the project because it will undoubtedly revitalise an estate that has never met it's potential, even before it was completed. The shopping centre itself suffers from several cumbersome ad hoc extensions, and general deterioration due to it's age and relative neglect. There are however several matters that currently affect the shopping centre, and I would like to see considered in the new development, based upon my experiences as a local resident.

TRAFFIC. This centre has very awkward vehicular access, particularly for the large trucks that service it. Parking is difficult, especially for mobility-impaired people of which there are many who rely upon this centre. The car parking facilities are very confined and awkward to access, both for motor vehicles and for people loaded up with shopping.

SUMMER HEAT. It has been amply demonstrated that the interior of the shopping centre retains summer heat for days after a cool change. Natural ventilation is poor.

ADVERTISING SIGN LIGHTS. The proposed illuminated advertising sign on the Gardeners Road frontage needs to be designed so that it does not impose glare upon the bedrooms of the existing adjacent home unit block between it and Racecourse Place.

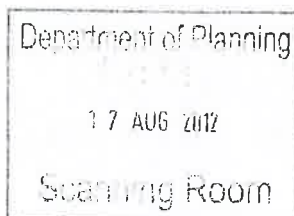

THE BUDDHA SHRINE. This has a certain bizarre charm, but I believe it needs to be relocated to a more 'leafy' pleasant spot nearby. Its present location in a very busy corner of the carpark is most unpleasant and hardly conducive to quiet reflection. It is especially unpleasant on even a moderately warm day, let alone a hot one.

THE PARK NEXT DOOR. In the document on exhibition, I noted a stated opinion that the park next to the development appeared to be under-utilised. This may be true during business hours, but there is plenty of use in the afternoons. On hot or humid summer evenings, the park fills with local residents escaping the heat of the surrounding units, until quite late. At various times during the day it is a popular gathering spot for many species of birds.

I trust these views will be of some use to you.

Regards

Jeff Thomson

Housing? at the new eastlakes village...

To whom it may concern,

Hi my name is Gina and im a single mum...I have been following your plan on the Eastlakes village and very happy it's finally happening..

My question is and I have phoned and spoke to someone about this to your company, that , will there be allocated govt housing apartments as well in there?

Reason being is i live in Eastlakes all my life and I am approved for housing and have been waiting for almost 5 years and can't live in an over crowded house with my 8 yr old daughter and I in one bedroom. It's just not fair and its really made us both depressed and unhappy..

I just hope that who ever reads this email will have a heart to help me n my daughter out and give us a quality of life my daughter deserves..

Thank you for making the time to read my concern

Regards Gina Paino

Subject: Eastlakes Development

Hi,

As a home owner on Mascot Drive, I am very much interested in the Shopping centre development and its arrangement.

I have had a look at your site, and some questions have been answered.

Eastlakes shopping Centre is in definite need of an upgrade, and this will improve the look of the area, which is a good thing.

My only concerns were that of traffic, but it is mentioned that there will be new roundabouts put in place. Will other vehicle access points be improved? As there will be an increase in the number of people living here, it could get quite congested.

I have young children, and I want a safe community. I know with the addition of extra units and living, I only pray that people who will be living in the neighbourhood are of good standing. The people and neighbours here are more than lovely, so I hope it continues this way.

The current housing commission block (on Maloney Street) is very high and quite unappealing and unattractive. This is probably why your development seems disheartening to some people due to the height as well. If you can convince people that it will be an attractive building, which won't attract dodgy characters to the area, then you will win lots of people over.

This email is more of a suggestive one, and I am pro the development. I have been going to Eastgardens shopping centre to do most of my groceries each week as there is more variety. Once this gets developed, I will be able to walk with the kids and contribute more to our community and the local shops here.

I wish you all the best, and also wishing the best for our community.

Regards,

Aleks Davidovic
