Dear Madam or Sir,

Development of Eastlakes Shopping Centre (MP09-0146)

As a previous resident and still the owner of a unit at the above address I will appreciate your accepting my submission in favour of the proposed development of the Eastlakes Shopping Centre.

Over the years the Centre has become rundown and together with the vandalized and graffitied surrounds has become an eyesore.

Any development that adds prosperity to the suburbs of Rosebery and Eastlakes has my full support.

Yours faithfully,

John Whyte

Hi,

My husband and I have been residents of Eastlakes for 6 years now and have been praying for the day that someone bulldozes the ugly old BKK Shopping Centre and starts afresh!

We strongly approve of the redevelopment of the site and believe that it will give Eastlakes a fresh start and attract more young families like ourselves to the area, in addition to providing a more diverse range of cafes, shops and services.

We can't wait!!!

Thank you,
