Major project application

NSW GOVERNMENT
Department of Planning

Date duly made: 5 / 8 / 09

Project application no. 09_0155

1. Before you lodge

This form is required to apply for the approval of the Minister to carry out a project to which Part 3A of the *Environmental Planning and Assessment Act 1979* (the Act) applies.

Before lodging this application, it is recommended that you first consult with the Department of Planning (the Department) concerning your project.

A Planning Focus Meeting may need to be held for this project involving the Department, relevant agencies, council or other groups identified by the Department. If a Planning Focus Meeting is held, the Department will issue the Director-General's requirements for the Environmental Assessment following the meeting.

Disclosure statement

Persons lodging applications are required to declare reportable political donations (including donations of or more than \$1,000) made in the previous two years.

For more details, including a disclosure form, go to www.planning.nsw.gov.au/donations.

Lodgement

All applications must be lodged with the Director-General of the Department of Planning, by courier or mail. An electronic copy should also be emailed to the assessment contact officer assigned to the project.

4. Major project description and other requirements

Provide a brief title for your project.

Tomingley Gold Project

Approval is sought for construction and operation of the following.

- Three open cuts.
- Three waste rock emplacements.
- A processing plant and residue storage facility.
- An approximately 46km water pipeline from a licensed bore located approximately 7km to the east of Narromine to the Mine Site located immediately south of the village of Tomingley in central NSW.
- An approximately 19km 66kV power transmission line from Peak Hill to the Mine Site.
- Associated infrastructure, including amenity bunds, site access and haul roads, an underpass under the Newell Highway, offices and other facilities and a substation and transformers.

In addition, relocation of sections of an existing 22kV power distribution line and telecommunications cables would also be required.

Finally, approval is sought for construction and rehabilitation of a final landform suitable for a final land use of nature conservation, agriculture, tourism or light industry.

PROJECT APPROVAL

If you are applying for approval of a project, include in the project title, all significant components for which approval is being sought. If the application relates to part only of a project, the project title should reflect this.

Is the application for approval of a project? Yes No

Is the application related to part only of a project? Yes No

CONCEPT PLAN APPROVAL

If you are applying for approval of a concept plan, include in the project title, all components for which approval 'in concept' is being sought. If the application also relates to approval of a project, a description of this should also be included in the project title.
