Dear Melanie

**Re: Ravensworth Complex – Aboriginal Cultural Heritage Management Plan**

Ravensworth Operations Pty Limited has updated its Aboriginal Cultural Heritage Management Plan (ACHMP) to address comments from the Department of Planning, Industry and Environment (the Department) and Heritage NSW. The following sections of the ACHMP have been updated:

- Section 3.3 ('Management areas within the Project area') describes the functions of management areas and distinguishes these from the Interim Keeping Place;
- Figure 2 has been updated to include the location of the Interim Keeping Place; and
- Appendix D has been updated to include the latest consultation with regulatory authorities and Registered Aboriginal Parties.

The ACHMP has been revised in accordance with the relevant conditions of Project Approval 09\_0176, and Development Consent 104/96. We trust that these updates will resolve the matters raised by the Department and Heritage NSW. Feel free to contact me if you require anything further.

Yours faithfully

Klay Marchant  
**Environment and Community Manager, Ravensworth Complex**
