**Ravensworth Coal: Biodiversity Offset Management Plan**

Dear Mr. Marchant

Thank you for submitting the Biodiversity Offset Management Plan in accordance with Condition 32, Schedule 3 of the consent for the Ravensworth Coal (MP09\_0176). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Biodiversity Offset Management Plan contains the information required by the conditions of approval and that consultation with the relevant parties listed in the development consents is not required given the administrative nature of the changes for this revision.

Accordingly, as nominee of the Planning Secretary, I approve the Biodiversity Offset Management Plan (Rev. version 5.1, October 2023).

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
