Dear Melanie

### **Review of Strategies, Plans and Programs following submission of Dust Exceedance Report 19 August 2020**

Ravensthworth Operations submitted a report on 25 August 2020 to the Department of Planning, Industry and Environment (Department) outlining the measures taken to minimise dust emissions in accordance with Schedule 3 Condition 23 of Project Approval 09\_0176 following the short-term exceedance of 24 hour criterion for PM<sub>10</sub> on 19 August 2020. A supplementary report was provided to DPIE on the 17 September 2020.

Condition 4, Schedule 5 of Project Approval 09\_0176 requires Ravensthworth to undertake a review of Strategies, Plans and Programs (underline for emphasis):

Within 3 months of:

(a) the submission of an annual review under condition 3 above;

(b) the submission of an incident report under condition 6 below;

(c) the submission of an audit under condition 8 below; and

(d) any modification to the conditions of this approval the Proponent shall review, and if necessary revise, the strategies, plans, and programs required under this approval to the satisfaction of the Secretary.

Ravensthworth have undertaken a review of the relevant Strategies, Plans and Programs in relation to the dust exceedance and determine that no changes are required at this point in time. Future revisions to Strategies, Plans and Programs relevant to Project Approval 09\_0176 will be undertaken following the annual review and independent environmental audit.
