Dear Mr Bulkeley

**Baal Bone Coal Project (09\_0178)**  
**Baal Bone Closure Mining Operations Plan – Updated Plan**

Thank you for your letter dated 5 May 2020 submitting an updated Rehabilitation Management Plan, in accordance with condition 25 of Schedule 3 of the above development consent.

I note that this plan forms part of the Baal Bone Closure Mining Operations Plan and has been updated to incorporate minor amendments to Ben Bullen Creek and the final landform following independent legal advice that these changes are generally in accordance with the consent.

The Department has carefully reviewed the document and is satisfied with these proposed changes.

Accordingly, the Planning Secretary has approved the Rehabilitation Management Plan (dated 9 December 2019). This approval is subject to the plan also receiving approval from the NSW Resources Regulator, in accordance with the conditions of consent. Please ensure that once approval is received from the Resources Regulator, the approved plan is placed on the project website at the earliest convenience.

If you have any questions, please contact Andrew Rode, who can be contacted on 02 8289 6744 or at [andrew.rode@planning.nsw.gov.au](mailto:andrew.rode@planning.nsw.gov.au).

Yours sincerely

Stephen O'Donoghue
