**Boggabri Coal: Time Extension for Conservation Agreements**

Dear Ms. Williams

I refer to your request for an extension of time under Condition 47 that facilitates the extension request for the conservation agreement at Boggabri Coal (MP09\_0182-PA-75).

The Department acknowledges the arrangements outlined in your letter dated 16 May 2024 to secure the biodiversity offset area in perpetuity. Additionally, I have reviewed the Biodiversity Conservation Trust (BCT) letter dated 27 March 2024, which confirms progress in delivering conservation agreements. Understanding the administrative requirements arising from the complexity and number of conservation agreements, the Department recognises the need for a time extension to allow for the completion of registering all conservation agreements on title.

Accordingly, the Secretary has granted an extension of time until 31 December 2024 to secure conservation agreements in accordance with Condition 47, Schedule 3.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
