Subject: Approval of Blast Management Strategy

Dear Miss Alex Williams

I refer to the revised BTM Blast Management Strategy, which was submitted in accordance with Condition 22 (h) of Schedule 3 of the approval for the Boggabri Coal Mine (09_0182).

The Department has carefully reviewed the updated strategy and notes that consultation has been undertaken with Tarrawonga and Maules Creek coal mines.

Accordingly, the Planning Secretary has approved the BTM Blast Management Strategy (Revision 5, dated April 2024).

You are reminded that if there are any inconsistencies between the Strategy and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on charissa.pillay@planning.nsw.gov.au or 02 9995 5944.

Yours sincerely
