Boggabri Coal – Surface Water Management Plan

Dear Ms. Tolson

Thank you for submitting the Surface Waer Management Plan in accordance with Condition 38 (b), Schedule 2 of the consent for the Boggabri Coal (MP09\_0182-PA-88). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Surface Water Management Plan has been prepared in consultation with EPA, DPE Water, North West LLS and the CCC; and contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the revised Surface Water Management Plan (Rev (version) 10.2, November 2025).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
