Dear Ms. Tolson

Thank you for submitting the Site Water Balance in accordance with Condition 38 (a), Schedule 3 of the consent for the Boggabri Coal (MP09_0182-PA-89). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Site Water Balance has been prepared in consultation with the EPA, DPE Water, North West LLS and the CCC and contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the revised Site Water Balance (Rev. 16 , October 2025).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

Yours sincerely
