Dear Terry,

**RE: ELECTRICITY SUPPLY TO HORNSBY ADVENTIST HOSPITAL, NORTHCOTE ROAD  
HORNSBY**

Connect Infrastructure are authorised level 1 and 3 service providers accredited to design and build Energy Australia's assets.

Connect Infrastructure are in the process of negotiating with Energy Australia in respect to the augmentation and extension of Energy Australia's network to meet the additional load of the proposed development at this site.

I confirm Connect Infrastructure has been engaged by the Sydney Adventist Hospital to design the Electrical Infrastructure to meet Energy Australia requirements

Regards

Greg Saunders
