Dear Rob

**Warkworth Extension Project  
Project Application No. 09\_0202**

The Department of Planning and Infrastructure has finalised its assessment of the Warkworth Extension Project, and referred the application to the Planning Assessment Commission (PAC) for determination. The Department has recommended that the project be approved, subject to stringent conditions.

The PAC has asked the Department to seek the final views of the NSW Office of Water on the Department's recommendation. In this regard, it would be appreciated if you would send me any comments you may have on the Department's recommendation by **4 November 2011**.

The Department's assessment report and recommended conditions, along with other project-related information, can be viewed on the Department's website at [http://majorprojects.planning.nsw.gov.au/index.pl?action=view\\_job&job\\_id=3639](http://majorprojects.planning.nsw.gov.au/index.pl?action=view_job&job_id=3639).

If you have any enquiries on this matter please contact me on 9228 6487.

Yours sincerely
