Project: 8 x 1 Test Trench											
Date Excavated: 6/7/16, by PR & RG											
Recorded: 6/7/16, by PR											
Phased: / / , by											
Description: 1st of 3 test trench at this location to validate accuracy of 1873 Plan & Survey. *Centred 2250 S / Survey Leg.											
Soil - Colour: md brown											
Type: loam											
Texture: Nonnally friable (very damp/heavy)											
Thickness/Depth: 150											
Horizon Definition: Grav over yellow clay at 180											
Disturbance: Not obvious - possibly has been ploughed (no lands obvious) - long term timber clearance - no roots evident -											
Context Physically Under	3										
Context Physically Above	2										
Context Physically Abuts	1										
Context Correlated to	/										
Chronological Sequence: Contemporary (?) original European settlement period
