**Subject: Woodlawn Bioreactor Expansion Soil and Water Management Plan and Leachate Management Plan**

Dear Mr Choy

I refer to your submission dated 15 March 2023 seeking approval for the updated Soil and Water Management Plan (SWMP) and Leachate Management Plan (LMP) for the Woodlawn Bioreactor Expansion under conditions 17 and 18 of the Project Approval MP10\_0012 and condition 70 of the Development Consent DA 31-02-99.

The Department has carefully reviewed the submitted SWMP and LMP and is satisfied that they meet the requirements of the relevant conditions in the project approvals MP10\_0012 and DA 31-02-99.

Accordingly, as nominee of the Planning Secretary, I approve the following plans:

- Soil and Water Management Plan – Woodlawn Bioreactor, prepared by Veolia Environmental Services (Australia) Pty Ltd, Rev 0.4, dated 11 May 2023.
- Leachate Management Plan – Woodlawn Bioreactor, prepared by Veolia Environmental Services (Australia) Pt Ltd, Rev 0.4, dated 11 May 2023.

You are reminded that if there are any inconsistencies between the SWMP and the LEMP and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Bruce Zhang, Industry Assessments, on (02) 9274 6137 or at [bruce.zhang@planning.nsw.gov.au](mailto:bruce.zhang@planning.nsw.gov.au).

Yours sincerely

Lindsey Blecher

Team Leader
