Subject: Approval of Dewatering Infrastructure Plan

Dear Mrs Arancibia

I refer to your submission dated 13 May 2025, requesting approval of the Dewatering Infrastructure Plan (Version 3, May 2025). I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the revised Dewatering Infrastructure Plan and is satisfied that it meets the requirements of the relevant conditions for the Badgerys Creek Quarry Project (MP 10_0014).

Accordingly, as nominee of the Planning Secretary, I approve the Dewatering Infrastructure Plan (Version 4, July 2025).

You are reminded that if there are any inconsistencies between the Dewatering Infrastructure Plan and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Melanie Hollis at melanie.hollis@planning.nsw.govt.au

Yours sincerely
