Mr Andrew Hartcher
Major Development Assessment
Department of Planning and Infrastructure
GPO Box 39
SYDNEY NSW 2001

Dear Mr Hartcher,

**TOMAGO ROAD (MR302): TOMAGO CABLE MANUFACTURING PROJECT (MP10_0039) –
NOTICE OF EXHIBITION OF ENVIRONMENTAL ASSESSMENT**

I refer to your letter dated 14 February 2012 regarding the Environmental Assessment (EA) for the subject project forwarded to Roads and Maritime Services (RMS) for comment.

RMS has reviewed the information provided, including the Traffic Impact Assessment prepared by GHD Pty Ltd, and has no objections to or requirements for the subject project.

Comment: RMS can advise that a reconstruction project involving upgrading of Tomago Road in the vicinity of the McIntyre Road intersection has commenced. The project will provide a left turn lane on the western approach to McIntyre Road together with 3.0 metre sealed shoulders in the vicinity of the intersection. RMS consider that the upgraded intersection and adjoining works will adequately cater for the increase in traffic resulting from the subject proposal.

On determination of this matter, it would be appreciated if a copy of the project approval was forwarded to RMS for record purposes.

Should you require any further advice, please contact Dave Young on 4924 0688.

Yours sincerely,

Colin Nunn
Manager, Development North
