Dear Chris

**SUBJECT: REMEDIATION OF FORMER GASWORKS SITE, WAGGA WAGGA (MP
10_0040) EXHIBITION OF ENVIRONMENT ASSESSMENT**

I refer to your letter dated 28 April 2011, the exhibition of the environmental assessment for the remediation of former gasworks site, Wagga Wagga.

The NSW Office of Water (NOW) provides the following advice on the basis that the existing legislative provisions under Part 3A of the *Environmental Planning and Assessment Act 1979* apply to this proposal.

NOW is satisfied with the information provided in the EA and recommends that the groundwater monitoring program be continued during and after remediation of the site.

If you require further information please contact Jodie Dabovic, Planning and Assessment Coordinator on (02) 4904 2571.

Yours sincerely

Mark Mignanelli
