Hi Damian,

Can you confirm whether the Abigroup intends to pursue the pending section 75W modification request for the Millennium Institute?

Should it not be intended to continue with the MOD application, it would be appreciated if the application was withdrawn.

Hi Peter,

As discussed earlier today, we are seeking approval to amend the condition for the full duration of the construction period.

Therefore we will submit a S75W application requesting same.

An application fee of \$5000 is referenced within the response to our Modification Request, could you please advise if this applicable to a S75W?
