Dear Mandana

Re: Dargues Reef Gold Mine (10_0054 MOD 4) Response to Submissions Dev Ref: 10_0054 MOD4

I refer to your email dated 30 January 2019 inviting the Division of Resources & Geoscience (the Division) to provide comments on the Dargues Reef Gold Mine – Modification 4 (the Project) Response to Submissions.

The Division has reviewed the information supplied in relation to the abovementioned Project and advises that it has no further comment at this time. The Division requests to review the draft conditions of approval prior to finalisation and any granting of development consent.

The relevant units internal to the Division have been consulted where required in generating this advice. Further, the Department of Planning and Environment - Planning Services Division and the Proponent should be aware that matters pertaining to rehabilitation, final landform, environmental impacts of subsidence, subsidence management, mine operator and safety are not assessed by the Division and advice should be sought from the Resources Regulator.

For further enquiries regarding this matter please contact the Assessment Coordination Unit on 02 4063 6534 or assessment.coordination@planning.nsw.gov.au.

Yours sincerely
