Mark,

Having reviewed Meriton's response and RTA's comments, Council have no further comments to add, beyond those provided in our original submission. The purpose of requiring the deep soil compliance plan is to indicate the correct calculation in accordance with the definition, to provide certainty in assessment.

Yours faithfully,

Janice / Adam,

Please find attached the Proponent's response to your comments. I have also attached for your information correspondence recently received from the RTA.

Should Council wish to provide further comment, it would be appreciated if this was received by 18 October 2011.

Thanks,

Mark Brown
