Dear Tony

Werris Creek Coal Project (10_0059) - Blast Management Plan

I refer to the Blast Management Plan (BMP), which was submitted in accordance with Condition 13 of Schedule 3 of the approval for the Werris Creek Coal Project (10_0059).

The Department has carefully reviewed the version of the BMP (dated 30 August 2019) and is satisfied that it addresses the applicable requirements of 10_0059.

Accordingly, the Planning Secretary has approved the BMP (revision 3B, dated 30 August 2019). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Philip Nevill on 8275 1036.

Yours sincerely
