Subject: Fw: Kimbriki Resource Recovery Project

Project No. :
C 10_0064/MP 10_65

Statement:
I object to this proposal.

Reasons:
I am most concerned that this proposal affects our area and I was not advised.
As I understand it, only a very few people were advised of the proposal.
I am completely amazed that, what appears to be, a major change in my local area was not circulated to a broad section of the community.
As I understand it, few if any retail establishments were advised of this proposal.
I object most sternly against this proposal..
