

**APPENDIX B**  
CSPC approved scheme (April 2008)  
by Rice Daubney Architects

Figure 9: Through-site link from Bligh Street

Figure 17: Indicative sculptural element along southern side of through-site link

Figure 11: Proposed development exposes southern side of "NSW Club Building" in Bligh Street, allowing item to be dominant rather than recessive within streetscape

Figure 15: Photomontage of O'Connell St frontage of proposed building illustrates successful mitigation of car parking
