Mr Chris Ritchie  
Manager - Industry  
Major Development Assessment  
Department of Planning  
GPO Box 39  
SYDNEY NSW 2001

Dear Mr Ritchie

**Sandvik Machine Manufacturing and Maintenance Project at Heatherbrae  
Modification (MP 10\_0073 MOD 1)**

Thank you for your letter dated 9 February 2011 inviting the Department of Environment, Climate Change and Water (DECCW) to make a written submission on the modification application from Sandvik Mining and Construction Australia Pty Ltd to modify the development consent to incorporate a temporary concrete batch plant.

On 27 August 2010 DECCW provided comments to the Department of Planning on this proposal. DECCW noted in this letter that "based on the information provided by the proponent, the proposal does not appear to be scheduled under the Protection of the Environment Operations Act 1997 (POEO Act). As such Port Stephens Council are the appropriate regulatory authority for environmental matters under the POEO Act for the proposed development. Accordingly DECCW have not reviewed the proposal in respect of POEO Act related matters."

Please be advised that the above position remains the same and we will not be making any comments on the proposed temporary concrete batch plant.

Yours sincerely

 16-2-11
