I am a current employee at Myuna Colliery, and I would like to officially provide my support to this project. I have been working at Myuna 15 years, and believe that the ongoing operation of Myuna colliery will be beneficial to not only my family, but also the community.

Myuna colliery has been an operational mine at Wangi Wangi since 1982 along side the community, and doesn't receive many complaints. Myuna Colliery has been an operation for over 25 years and over this period, Myuna has provided investments in many community projects. These projects include sponsorship or initiatives of Arcadia Vale Public School, Wangi Peter Pan Kindergarten, Lake Macquarie Combined Fishing club, Wangi Netball Club, Rathmines Public School, Powerhouse Christian Church, Wangi Lawn Bowling club, Wangi Lions club and the Wangi beautification Project, Wangi Dobell Festival or Arts and Crafts, the wangi's Men's Shed and Westlake Soccer club.

Myuna Colliery also strives to be a safe working environmemnt, and to improve safety environmental awarness and performance everyday.

The continuation of Myuna Colliery would provide up to 210 jobs for a further 21 years , and also allow Myuna Colliery to continue to Sponsor local projects and initiatives.
