Subject: Myuna Coal Mine Noise Management Plan

Dear Mr Fiatarone

I refer to the Noise Management Plan submitted in accordance with condition 13, Schedule 3 of the consent for the Myuna Colliery Mining Project (MP10\_0080). I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent. Accordingly, as nominee of the Planning Secretary, I approve the Noise Management Plan (revision 1, dated April 2026).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact James McDonough on 02 9585 6313.

Yours sincerely
