Dear Ms White

I refer to the Air Quality & Greenhouse Gas Management Plan, Revision 4, dated November 2021, (the plan) submitted to the Department of Planning and Environment (the Department) as required under Schedule 3, Condition 19 for the Myuna Colliery Mining Project development consent.

I note that the plan covers the Centennial Coal's northern region and is the same plan has been submitted for Northern Coal Services (SSD-5145), Newstan Colliery (DA 73-11-98), Myuna Colliery (10_0080) and Mandalong Southern Extension Project (SD-5144).

The plan has been updated to appropriately to satisfy the Independent Environmental Audit (IEA) finding recommendation NC REC 1.

Accordingly, I approve the revised Air Quality and Greenhouse Gas Management Plan (Revision 4, dated November 2021).
