Subject: SYDNEY CHILDRENS HOSPITAL (5 STOREY BUILDING) HIGH STREET, RANDWICK
CC: "Bleasdale, Peter" <peter.bleasdale@syd.com.au>

Hi Megan,

Although the Development was beneath the OLS conical surface for Sydney Airport. The Development will penetrate the PARM Radar navigation aid surface and so the development was required to be sent to Airservices Australia for a PARM Radar assessment.

SACL does not expect to receive the assessment from Airservices until 2011.

regards

Michael Turner
