Dear Mr Woodlands

Re: Project Applications MP10_0097 and MP10_0098 for Refurbishment of the Spectator Precinct and Construction of a New Stable Facility at Royal Randwick Racecourse, Alison Road, Randwick

I refer to your letters of 15 July 2010 seeking the key issues and assessment requirements of the Department of Environment, Climate Change and Water (DECCW) which may be included in the Director-General's Environmental Assessment Requirements (DGR's) for the above Project Applications.

I advise DECCW has reviewed the draft DGR's and other information provided and has no comments and no further interest in being involved.

If you have any queries regarding this matter please contact Richard Bonner on 9995 6833.

Yours sincerely
