Randwick NSW 2030

PROJECT APPLICATION – SPECTATOR PRECINCT (MP 10 0097 AND STABLES
PRECINCT (MP 10 0098).

OBJECTION

I object to both of these applications because they will destroy part or all of the most historic parts of the one of the most historic assets in this Municipality. The Randwick Racecourse and its buildings have historical significance to this state. I am appalled at the destruction that has occurred already on Allison Road without any community consultation.

In 1998 (or thereabouts) the Australian Jockey Club commissioned its own Conservation Management Plan because of the historical value of the Randwick Racecourse site to the state of NSW. I submit:

1. THAT THE AJC SHOULD ADHERE TO THE RECOMMENDATIONS IN ITS OWN 1998 CONSERVATION PLAN.
2. IN PARTICULAR, THAT THE TEAHOUSE, THE MEMBERS' STAND AND THE QUEEN'S STAND SHOULD NOT BE ALTERED OR DEMOLISHED AS THEY ARE PROBABLY THE MOST IMPORTANT HERITAGE ITEMS ON THE SITE..
3. THAT THE ADVICE OF THE NATIONAL TRUST SHOULD BE SOUGHT AND FOLLOWED IN THIS MATTER.
