19 Pearce Street SOUTH COOGEE NSW 2034

As owner of unit 204/ 34-52 Alison Road Randwick:

I hereby object on the implementation of Development **DA/850/2010**.

The grounds are: The development is not enhancing the area. Introducing horse smell and an industry that would be more fitting for a locality the other side of Camden. We do not need to lower the standard of life around Randwick like Hong Kong or Bangkok.

Definitely NO.

For the same reasons, I also object to **DA/871/2010**.

Let's keep our suburb clean of horse manure smell.

John Prineas.
