Dear Mr. Dwyer

Thank you for submitting the Noise Management Plan in accordance with Condition 16, Schedule 3 of the consent for the Maules Creek Coal (MP10_0138-PA-107).

I note the Noise Management plan was revised following the approval of Modification 9 to align changes in the approval boundaries; and contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the revised Noise Management Plan (Rev 2, April 2024).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
