Subject: Approval of Maules Creek Coal Mine Traffic Management Plan

Dear Mrs Bulkeley,

I refer to the Maules Creek Coal Mine Traffic Management Plan submitted in accordance with Condition 63, Schedule 3 of the consent for the Maules Creek Coal (MP10_0138).

I note the Traffic Management Plan was revised following project approval modification nine (9) and contains the information required by the conditions of approval.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent.

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 9995 5944.

Yours sincerely
