Maules Creek Coal – Noise Management Plan

Dear Mr. Dwyer

Thank you for submitting the Noise Management Plan in accordance with Condition 16, Schedule 3 of the consent for the Maules Creek Coal (MP10_0138). I also note the management plan was submitted as a revision to include the updates as part of the Whitehaven Coal Management Plan Standardization.

The Department notes that there have been no complaints recorded or noncompliance reported in the Independent Environmental Audit conducted in September 2024. The revised management plan contains the information required by the conditions of approval

Accordingly, as nominee of the Planning Secretary, I approve the revised Noise Management (Rev 4_2, October 2024).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on Charissa Pillay 02 99955944.

Yours sincerely
