Maules Creek Coal – Historic Heritage Management Plan

Dear Mr. Dwyer

Thank you for submitting the Historic Heritage Management Plan in accordance with Condition, 58 Schedule 3 of the consent for the Maules Creek Coal (MP10_0138-PA-123). I also acknowledge your response to the Department's review comments and request for additional information.

I note the revised Historic Heritage Management Plan has been prepared in consultation with Heritage NSW (DCCEEW); and contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the revised Historic Heritage Management Plan (Rev 4.0, April 2025).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
