Maules Creek Coal – Rehabilitation Management Plan

Dear Mrs. Bulkeley

Thank you for submitting the Rehabilitation Plan in accordance with Condition 73, Schedule 3 of the consent for the Maules Creek Coal (MP10_0138-PA-125). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Rehabilitation Plan was revised following consultation with the Resource Regulator and has been updated to include changes to the Risk Assessment. The management plan contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the revised Rehabilitation Management Plan (Rev. 3, May 2026).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
