Subject: Water Management Plan (WMP) Addendum

Dear Mr. Dwyer

Thank you for submitting the WMP Addendum in response to the enforceable undertaking (EU) issued on 12 August 2021 by the Natural Resources Access Regulator (NRAR).

I also acknowledge your responses to the Department's review comments and request for additional information.

I note the WMP Addendum has been prepared in consultation with DPE, BCS and NRAR

The Department has carefully reviewed the WMP Addendum and is satisfied that it meets the requirements of the EU (MP10_0138-PA-44) to allow for the decommissioning of sediment dams SD7 and MC10.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
