Dear Mr. Dwyer

I refer to the Air Quality and Greenhouse Gas Management Plan (Edition 4 [Revision 1], June 2022) submitted to the Department of Planning and Environment (the Department) as required under the conditions of approval for Maules Creek Coal Mine.

I note the Air Quality and Greenhouse Gas Management Plan has been:

- Prepared in consultation with Environment Protection Authority;
- Reviewed by Maules Creek Coal and no issues have been raised with the Department; and
- Contain the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the Air Quality and Greenhouse Gas Management Plan (Edition 4 [Revision 1], June 2022).

Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Brittany Golding on 02 9995 5742.

Yours sincerely
