Dear Mr Hornery

**Awaba Waste Management Facility (MP10_0139)
Postponement of Management Plans Submission**

I refer to your request (MP10_0139-PA-2) for an extension of time to submit Closure Management Plan and Rehabilitation Management Plan required by conditions 57 and 58, Schedule 4 of project approval MP 10_0139.

The Department has reviewed the request and considers the extension of submission time requires modifications to conditions 57 and 58, Schedule 4 of project approval MP 10_0139. Accordingly, the Planning Secretary is unable to grant an extension of time as requested.

If you wish to discuss the matter further, please contact Bruce Zhang on (02) 9274 6137 or at bruce.zhang@planning.nsw.gov.au.

Yours sincerely
