I wish to advise that the Sydney Regional Development Advisory Committee (SRDAC) considered the traffic impact of this application at its meeting on 3 November 2010.

Below are the Committee's recommendations and RTA's comments on the subject application:

2. The swept path of the longest vehicle (including garbage trucks) entering and exiting the subject site, as well as manoeuvrability through the site, shall be in accordance with AUSTROADS. In this regard, a plan shall be submitted to the Department for approval, which shows that the proposed development complies with this requirement.
3. All vehicles are to enter and leave the site in a forward direction.
