Amy,

Please see attached amended plans to address Resolution (b) in the attached Council resolution.

The plans have been amended to:

- Provide a childcare pick-up and drop-off area within the basement of the building. We have provided this by taking 6 visitor spaces and converting to them to shared spaces with the childcare pick-up and drop-off. These spaces could be sign-posted to only allow visitor parking outside core pick-up and drop-off times.
- Show a path of travel from the lobby of the western tower, into the lobby of the eastern tower and the childcare centre.

We trust this satisfies the Department that the Council resolution has been appropriately addressed.

Regards,
