Dear Minister,

**RE: CENTRAL COAST REGIONAL CANCER SERVICE**

This letter is to confirm the support of the undersigned for the establishment of the Central Coast Regional Cancer Service and the development of public radiotherapy services for the Central Coast of New South Wales.

The benefits of this service to the Central Coast community are improved outcomes for cancer patients through:

- Better access to the full range of cancer services provided at a local level
- Better co-ordinated and integrated cancer services
- Better capacity to recruit and retain qualified staff to provide cancer services

It is without hesitation that I support the development of this Service, which will provide, amongst many other benefits to the region and its residents, "close to home" and affordable treatment, support for the patient and their families and the provision of jobs and sustainable growth for this rapidly-growing area.

Yours sincerely,
