Dear Howard

Re: Teralba Quarry – Proposed Modification to Project Approval 10_0183

On behalf of Metromix Pty Ltd, please find included with this letter an *Environmental Assessment* to support an application to modify Project Approval 10_0183 for the Teralba Quarry. As described in correspondence with Mr Colin Phillips on 10 October 2017, Metromix is applying for the modification under Section 75W of the *Environmental Planning and Assessment Act 1979* to modify the wording of Condition 52 and Condition 53 of PA 10_0183 and to remove Appendix 5 of the consent.

Further correspondence with Mr Phillips on 13 October 2017 also raised the possibility of removing now-redundant conditions of PA 10_0183 and it is considered appropriate that the Statement of Commitments included as Appendix 3 of PA 10_0183 also be reviewed to ensure it is consistent with the conditions of consent and that any redundant commitment are also removed. We would be happy to discuss these possible modifications with you but have not made reference to them in the *Environmental Assessment*.

Please do not hesitate to contact myself or Rob Corkery in the RWC Brooklyn office or Bill Sanderson at Metromix with any questions.

Yours sincerely

Nick Warren
Senior Environmental Consultant
