Dear Mr Richards

Hera Gold Mine (10_0191)
Extension of Time to Submit Management Plans

I refer to your letter dated 28 April 2020, requesting an extension of time to submit the following revised management plans, as required under project approval 10_0191:

- Hazardous Materials Management Plan as required under condition 41 of Schedule 3 of 10_0191; and
- Waste Rock Management Plan as required under condition 43 of Schedule 3 of 10_0191.

The Department's letter of 24 April 2020 required the submission of the revised management plans within 3 weeks (ie. 15 May 2020). However, the Department notes that condition 5(c) of Schedule 5 of 10_0191 allows for the revision of any relevant management plan within 3 months of an independent environmental audit, to the satisfaction of the Secretary.

Following consultation with the Department's Compliance Unit, the Planning Secretary has granted an extension of time until 4 July 2020, to submit the revised Hazardous Materials Management Plan and Waste Rock Management Plan.

If you wish to discuss the matter further, please contact Philip Nevill on (02) 8275 1036 or via email at philip.nevill@planning.nsw.gov.au

Yours sincerely
