Subject: Catherine Hill Bay (Mod 7) - boundary changes

Hi Louise,

There is an aspect of the above changes that I object to. It is the reference to a "shop" (singular). As I understand it, the original planning permission was for a number of small shops and this would be much more in keeping with the small building look and feel of the heritage village which this "shop" would overlook.

Is it possible to get formal clarification that this modification to the planning will not allow a change from multiple small businesses to one large business?
