Dear William,

**RE: BARANGAROO SOUTH – C5 COMMERCIAL BUILDING**

This letter has been prepared by Morris Goding Accessibility Consulting (MGAC) for Lend Lease (Millers Point) Pty Ltd to support the S75W application for the C5 Commercial Building Project.

MGAC has reviewed and assessed the drawings and relevant documentation prepared in respect of the S75W application submission.

The MGAC Report that supported the original Project Application concluded that the accessibility for the C5 Commercial Building will be able to achieve the accessibility design requirements as set out in the relevant Director General Requirements. On this basis, MGAC is of the opinion that the proposed S75W drawings do not require any additional supporting information, analysis or commentary at this stage of the design and compliance with DDA Premises Standards and Australian Standards can be achieved.

Yours Sincerely

David Goding
