**Statement of Aboriginal Cultural Heritage Impact Statement for:**

84-86 Kiora Road is not listed on the Aboriginal Heritage Information Management System.

**This statement forms part of the statement of environmental effects:**

The Environmental Assessment prepared by Economia PDS, is part of a development application for the proposed demolition of the existing buildings and construction of a seven storey dental hospital at 84-86 Kiora Road, Miranda.

This report has been prepared in accordance with the *Draft Guidelines for Aboriginal Cultural Heritage Impact Assessment and Community Consultation 2005*. However as the site has been excavated and built upon and added to numerous times it is very unlikely that any archaeological evidence of past Aboriginal use exists on site.

In addition an examination of the Aboriginal Heritage Information Management System (AHIMS) register revealed that the site was not listed as significant. The AHIMS has been referred to, in accordance with the National Parks and Wildlife Act 1974 (NPW Act) which requires that due diligence be exercised to check if Aboriginal sites will be harmed by proposed activities. Therefore based on this information no consultation with local Aboriginal groups has been undertaken.
