SYDNEY N.S.W. 2000

Dear Premier,

I am writing to you to make you aware that the above Club is in full support of the proposed Balmain Tigers redevelopment at Rozelle.

Our Club has the honour to be represented in the Balmain/Ryde-Eastwood Tigers team that plays in the N.S.W. CUP Competition and has been for some ten years now.

Our association with the Balmain Club goes back some 4 Decades when without their support, our Football and Leagues Clubs would not have come to fruition and we at Ryde-Eastwood consider Balmain to be our "mother club".

On a personal basis, I was born and raised in the Balmain District and had the honour to play 1st Grade Rugby League for both the Balmain and Parramatta Clubs and was awarded Life Membership of the Tigers in 2011 and as a person who has been involved, both as player, coach and administrator for some 60 years I fully understand the need for the Tigers Club to be rebuilt, so that the promotion of our Code can be assisted both now and in the future.

I urge yourself and your Government to support this development so that this Club can again take its place at the forefront of the Code of Rugby League Football.

Yours sincerely,

Keith Aggett,
Secretary.
