Dear William,

RE: BARANGAROO SOUTH – C3 COMMERCIAL BUILDING

This letter has been prepared by Lend Lease design (Structure) for Lend Lease (Millers Point) Pty Ltd to support the S75W application for the C3 Commercial Building Project.

Lend Lease Design has reviewed and assessed the drawings and concluded the proposed modifications (in particular the removal of the structural braces at Tower Plant Room levels and Level 1 circulation bridge) as contained in the Section 75W Mod 3 submission will not result in any additional impact on the structural engineering strategy.

Yours sincerely
